Who is KDW Catering?

KDW Catering is a full-service catering company with competencies in various aspects of food preparation. KDW Catering has three main lines of business. The first is event catering. We've catered events ranging in scale from very intimate to weddings and other gatherings as large as 400 guests. Our second line of business is a weekly meal plan service that focuses on providing high-quality, healthy meals to individuals and families. Our meal plan clients range from those working/living in food deserts to parents on the run to adult children who serve as caretakers for parents or family members. Our third line is our senior and school lunch programs. We're proud to have served assisted living facilities, schools, and alternative placement sites for youth in their daily meal programming.
